Dear Parents & Carers

Year 4 - Bikeability Level One Training February 2026

We are pleased to be able to offer your child the opportunity to participate in Bikeability Level 1 training course organised and run by instructors from Surrey County Council. This course will take place on the playground during the first week of February.

The children will learn a range of skills, including safe cycling, pedalling and stopping and manoeuvring with control. The Level One course also lays the foundations for the Year 6 Level 2 on-road course. Please note that the course is suitable for those who have just learned to ride a bicycle and no longer use stabilisers, however, it is **not suitable** for those who have not yet learned to ride a bike.

Training will take place on **either the 2nd or 6th February 2026** and your child will be able to take part on **one** of the dates for a **half-day** session.

The course is fully funded by Surrey County Council and therefore free to parents & carers. If you would like your child to take part, please enrol on to the Bikeability Level 1 training using the following link: https://surreycycletraining.online/public/school_training/111749/

Please note there is no booking or payment to be made via Arbor for this activity.

When you finish enrolling, you should receive a confirmation email from Surrey County Council cycle training team.

Your child will be allocated to one of the courses, and nearer the time you will receive a further email giving you the confirmed date for your child.

Kind regards,

Hale Academy Office
