Lessons for Your Child**
rocksteadymusicschool.com/info-for-parents

This pioneering child-led curriculum has been created from decades of experience of teaching in primary schools and covers vocals, keyboards, drums, electric guitar and bass.

Lessons are designed to build on your child's individual learning and motivational style. One of the most exciting and innovative elements of the programme is that your child will get to play real music, in their own band, from the very first lesson!

The inclusive nature of the lessons means everyone can positively benefit, whatever their needs. Rocksteady is suitable for any child in mainstream education and our teachers regularly work with children who have complex needs.

Rocksteady is the UK's largest rock school, trusted by thousands of primary schools to deliver lessons to tens of thousands of children every week.

“Harry struggles with his confidence and self-esteem, yet I've never seen him look as confident as he did on stage at his Rocksteady concert, he didn't even look nervous. I cannot put into words how proud I was and at the end, when we all clapped, he has a huge grin on his face.”

“I'm so grateful to Rocksteady and Luke for encouraging Fern as it has had such super results with her rehabilitation and just seeing her smiley face on stage said it all for me!”

“I would recommend Rocksteady to any parent considering it. It's so nice to see a different side to your child and them to feel they can express themselves in music. Toby-John isn't keen on people watching him, but when he's drumming, he loses himself. He's come on so much, and it's really helped with his Autism and coping with daily challenges.”

Celebrating success

Rocksteady includes lots of opportunities to celebrate your child. In addition to regular praise, concerts, stickers and certificates of achievement, your child could leave primary school with an official music qualification without ever sitting a single exam!

Every child at Rocksteady who is on the programme long enough, gets to participate in our exclusive Ofqual regulated, 'Music Performance in Bands' qualification accredited by Trinity College London, at no extra cost.

Learning at their own pace, your child will work through a curriculum of up to 300 skills, during their weekly band rehearsals and will automatically achieve the qualification when they've demonstrated the required number of skills – no exams or testing, just fun and progression.

“My son’s confidence has changed so much since being in his Rocksteady band. He now loves singing in front of people and even speaking to people, when he used to be so shy.”

Charlie, Proud Parent

“

“Rocksteady is fabulous, my children are so excited about music and love the concerts, which is something I did not know they were brave enough to do. I could not be more happy with the band leader’s enthusiasm and talents!”
