This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Promotion of Daily Mile	Children fully engaged and positive impact evident afternoon learning sessions.	Teachers are also taking part/modelling the Daily Mile, All children encouraged to participate to do the same and promoting the importance of it.
Promotion of Fit Bags	The children all comment that they enjoy using them at home with their family and it encourages everyone to be more motivated.	The PhysiFUN Fitbags can be for those children who have found, and still find, getting active at home a challenge.
Renewing of PE Equipment	Children have high quality equipment to use during PE lessons. Teachers and children can access the PE curriculum.	This is reviewed termly at each new topic we cover
School Games Mark- Bronze	Participating in the annual School Games Mark allows schools to evaluate their PE provision and develop an action plan for future progress.	The school achieved bronze award this year but is looking to increase this to silver next academic year.

Play leader at lunchtime	This has been extremely successful and has encouraged our pupils to have happier, and more physical playtimes. You can see increased confidence in many of our pupils as they learn new skills and this is evident in some of our PE lessons too.	This will continue in 2023/24
Sports Clubs provided to children after school/ lunch times	More pupils meeting their daily physical activity goal. PP children actively encouraged to participate in sports clubs, removal of financial burden for some families More pupils encouraged to take part in PE and Sport Activities.	This will continue this academic year
Visitors into school	3 athletes have visited the school this year. Raise the profile of sports within the school, by having inspirational visitors and speakers come from the local sports clubs. Take up of sports locally such as cricket have increased.	Continue this academic year

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	64%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	55%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	10%	<i>Use this text box to give further context behind the percentage.</i>

<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
