

Year 3 Newsletter

Autumn 1—2023/2024

Notices and Reminders

Please ensure:

- Five reads are completed at home as a priority for home learning;
- Water bottles only contain water;
- Jumpers and cardigans are clearly labelled;
- Long hair is tied back.

Reading

This term, our first text is 'The Iron Man' by Ted Hughes, a story about the destruction caused by a great metal robot before that robot is called to save the planet from a monster from outer space. Our next text is 'The Fastest Boy in the World' by Elizabeth Laird. The children will learn to follow a text being read to them with their finger, as well as practise reading aloud to develop their fluency. Alongside this, the children will use evidence from the text to answer questions.

Writing

This term in writing, we have started by recapping pupil's key learning from Year 2 using several picture prompts to inspire writing. We will continue to develop children's writing skills using the 'Talk for Writing' approach. The approach gives children the opportunity to first immerse themselves in a text through orally retelling the story and drama. They will then use their deep knowledge of the story structure to imitate the text and create their own version. Throughout the cycle, pupils will be exposed to a range of skills that will help them develop their writing.

Key dates

Mon 9th October - 9am Asthma/wheeze drop in morning in the main hall run by paediatric respiratory nurses from Frimley

Weds 11th October - school photos

Weds 11th October - Open Morning 8.45am until 10.00am for parents to come in to class with their children and walk around the school

Sat 14th October - Farnham Park Cross Country Race

Thurs 19th October 3:50pm-5:30pm - Parents Evening in the Main Hall

Thurs 19th October 7:30pm - PTA AGM location to be confirmed

Fri 20th October - topic learning exhibition in classrooms straight after school

OCTOBER HALF TERM HOLIDAYS - 23rd to 27th October

Mon 4th December 9am - Rocksteady concert for parents of children who have Rocksteady lessons

Maths

This term, we are continuing to build upon our place value knowledge, extending to 3-digit numbers. We will become familiar with the size of each number, the value of each digit, partition numbers and use number lines. We will then move onto addition and subtraction, beginning with applying known number facts to larger numbers and begin to learn formal methods of solving calculations.

Throughout the term, we will solve problems and answer reasoning questions.

Science

This term we are learning about skeletons and muscles. We will learn about different types of skeletons in all animals before focusing on the human body. We will look at different muscles and the function of different bones in our body. Towards the end of this term we will be looking at what nutrients we need to grow and keep our bodies healthy.

History

This term we shall be learning about some of the key changes which occurred between the Stone Age and the Iron Age. We shall be finding out how archaeologists use clues from artefacts and cave paintings to understand what life was like. We shall also be comparing the Palaeolithic, Mesolithic and Neolithic eras and how new inventions and techniques changed their lives.

Art

This term in Art we are learning the techniques and skills to do observational drawings. We are learning how to recognise abstract and observational art while studying the art of Henri Matisse. We will be doing an observational drawing of an elephant using graphite pencil and then we will study Matisse's 'The Nightmare of the White Elephant' to inspire our own abstract piece.

PE

In P.E this term we are focusing on Invasion Games. We have chosen Netball to practise the skills of running, jumping, throwing and catching both in isolation and in competitive games. We will also be looking at attacking and defending.

RE

The Big Question in RE this term is 'What is the Holy Trinity?' We are learning how Christians believe that God is revealed to them in three ways – God the Father, God the Son and God the Holy Spirit – yet remains one God. We will also explore that all denominations of Christianity have the same principle beliefs including The Holy Trinity, Bible, resurrection of Jesus.

PSHE

This term in PSHE, we are learning about how we recognise our own feelings and celebrating what makes each of us unique. We will be learning about the importance of understanding what mental health is and how to look after our mental health using a range of strategies. We are learning that it is normal to experience a range of emotions and that people show these in different ways.

Homework

Homework is due in every **Monday**, which is when a new piece will be given out.

Half termly topic homework has been sent home. Topic learning exhibition is on Friday, 20th October.
