

To my new students,

Welcome! My name is Miss Gower and I will be your new teacher.

I am very excited to start your Year 3 journey with you in September! I have enjoyed getting to know you all over the last couple of weeks; seeing you around school and reading together. I look forward to spending more time with you soon.

In September, we will also be joined by Mrs Oarton, who you will already know. We will both be here to help you learn, to keep you safe and to make sure you are happy. Over the next school year, there will be many things to learn about each other and also from each other so that we can make our classroom a fun learning environment. We have some very exciting new topics coming our way, like The Iron Age, which I can't wait to share with you!

Over the next few weeks, I will be getting our new classroom ready for your arrival in September by making sure it's a calm and comfortable space, prepared for a fun year ahead. During the holidays, I would love to hear that you will practise your reading, writing and maths ready for coming back to school, but what I would love to hear the most is that you have had a wonderful summer break! So, have fun and I'll see you soon!

Bye for now,

Miss Gower

P.S. If you are able to, please bring a picture of what you get up to in the Summer Holidays on the first day back!
