

Dear Stanford Class,

July 2023

We are so excited that you are joining Warwick class in September! We will be your new teachers: Mrs Collard will be with you on Monday, Tuesday and Wednesday and Mrs Bolden will teach you on Thursdays and Fridays. (You may also see her on Wednesdays around school as she works in other classes.) You are going to have so much fun learning and playing and making new friends. We wanted to write to you to tell you a little bit about ourselves and the fun things we will be doing at school in year 4.

Mrs Collard:

I live not far from Hale so I can walk to school every day. This is perfect for me as I love being outdoors in the fresh air. I really enjoy walking and running and being in my garden. I hope you like the outside too as we like to do lots of learning outdoors in Year 4. My hobbies are reading (outside if possible!) and baking. I make a very tasty chocolate cake! Yum!

Mrs Bolden:

I also love reading stories and you will find many books in our classroom with my name on which I will love sharing with you. I'm a big fan of going to the theatre and seeing live music. I will enjoy watching your performances when we do drama in class and joining in music making.

In Year 4, we will explore lots of fun history and geography topics, create wonderful art, build up our skills in French, use our voices and other instruments in music, get physical in PE, design and make items in DT, build understanding of faith and religion in RE, discuss and share ideas in PSHE and develop our computing skills.

There are so many exciting and fun times ahead. We can't wait to see you in September for a great start to year 4.

Bye for now.

From Mrs Collard and Mrs Bolden
