Dear Parents & Carers

Year 4 - Bikeability Level One Training 10th & 11th March 2024

We are pleased to be able to offer your child the opportunity to participate in a Bikeability Level 1 training course organised and run by instructors from Surrey County Council which will take place on the playground for a half-day session.

The children will learn a range of skills, including safe cycling, pedalling, stopping and manoeuvring with control. The course also lays the foundations for the Level 2 on-road course. Please note that the course is suitable for those who have just learned to ride a bicycle and no longer use stabilisers. However, it is not suitable for those who have not yet learned to ride a bike.

Training will take place on the 10th and 11th March and your child will be able to take part on **one** of the days for a half day session.

The cost for the course is £9 or is free if your child is in receipt of Free School Meals. If your child is eligible for Free School Meals, you will receive the necessary discount code by request to the school. If you would like your child to take part, please enrol on to the Bikeability Level 1 training using the following link:

Please note there is no booking or payment to be made via SCOPAY for this activity.

When you finish enrolling, you should receive a confirmation email from Surrey County Council cycle training team.

Many thanks.

Yours sincerely

Mrs Partington & Mrs Sharp
