1 Introduction

The Kite Academy Trust is committed to developing and implementing policies and practice which support good attendance, in partnership with parents/carers, pupils, and with other organisations who have an interest in, or are affected by, attendance. We are committed to ensuring that every pupil feels safe, included, valued and that they belong within their academy community.

For a child to reach their full educational achievement, regular attendance is essential. Pupils are expected to attend school every day and arrive on time. We will consistently work with parents and pupils to achieve our expectation of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents/carers the importance of regular and punctual attendance; this may include letters, newsletters, half termly/termly updates and through academy social media pages. Each year, our academies will examine their attendance figures and set attendance/absence targets. The Trust and its academies will review their systems for improving attendance at regular intervals to ensure that the goals set are achieved.

Whilst we recognise that children who may attend one of our Nursery provisions and are not yet of statutory school age, to ensure we fulfil our safeguarding and child protection duties, we will apply the principles and protocols included within this policy to all children within The Kite Academy Trust. This also applies to children who are in the Reception year but have not yet reached statutory school age (the term after their fifth birthday).

This policy should be read alongside other relevant The Kite Academy Trust (KAT) policies:

- KAT Child Protection & Safeguarding Policy
- KAT Special Educational Needs & Disability Policy
- KAT Suspension & Exclusion Policy

Along with the following national legislation and guidance:

- Part 6 of The Education Act 1996
- Part 3 of The Education Act 2002
- Part 7 of The Education and Inspections Act 2006
- School Attendance (Pupil Registration) (England) Regulations 2024
- The Education (Penalty Notices) (England) (Amendment) Regulations 2024
- The Education (Information About Individual Pupils) (England) (Amendment) Regulations 2024
- Working Together to Improve School Attendance 2026
- Keeping children safe in education-2026.
- Children missing education 2025.

Support First Approach

The Kite Academy Trust is committed to a support-first approach to attendance. We recognise that barriers to attendance can arise for a variety of reasons and are committed to working in partnership with pupils, families and external agencies to identify and address these barriers at the earliest opportunity. Where attendance concerns emerge, support and intervention will normally be offered before formal legal action is considered. However, where safeguarding concerns exist, or where support has not resulted in sufficient improvement, the academy may work with the Local Authority to consider the use of statutory attendance interventions.

2 Responsibilities

Responsibilities of Academy Staff:

- Ensure that all pupils are registered accurately;
- Promote and reward good attendance with pupils at all appropriate opportunities;
- Communicate any concerns or underlying problems that may account for a child's absence;
- Support pupils who have been absent to engage with their learning once they return;
- Regularly inform parents of the attendance of their children;
- Work in partnership with the academy Senior Attendance Champions and county Attendance and Inclusion Services;
- Advise parent/carer if their child has arrived late alone and registered themselves at the office;
- Communicate regular attendance updates with all parents and carers.

Responsibilities of Pupils:

- Attend every day (unless they are ill or have an authorised absence);
- Arrive on time;
- Arrive appropriately prepared for the day;
- Register with the office if they are late (KS2 children).

Responsibilities of Parents and Carers:

- Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.

Parents and Carers will:

- Encourage regular attendance by supporting the values of good attendance at home and to be aware of their legal responsibilities;
- Inform the academy by telephone on the first day of their child's absence by 8.30am and on any subsequent days provide the academy with a further update;
- Alert the academy office of any planned absences/medical procedures well in advance;
- Support the academy with their child in achieving 100% attendance each year;
- Avoid taking their child out of academy for non-urgent medical or dental appointments;
- Only request leave of absence if it is for an exceptional circumstance;
- Ensure that the child/children in their care arrive at the academy punctually and prepared for the academy day (including extra-curricular activities);
- Engage in regular meetings with the academy (and/or local authority) where patterns of poor attendance are forming or where a child/children are considered to be vulnerable or are persistently or severely absent to discuss attendance and engagement at school;
- Work with the academy, where needed, to agree and implement an attendance contract if absence continues.

PLEASE NOTE: Holidays are not deemed to be exceptional circumstances and will not be authorised.

3 Academy Procedures

Any child who is absent at morning or afternoon registration must have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of academy). Only the Academy Headteacher, or a member of the senior leadership team with delegated responsibility, can authorise a child's absence from school. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

4 Lateness

Pupils arriving after the start of the academy day but before the end of registration will be treated, for statistical purposes, as present but will be coded as late before registers close. Arrival after registers close will be marked as unauthorised absence.

At The Kite Academy Trust academies, the registers close 20 minutes after the official start time of each academy.

5 First Day Absence

Parents are expected to contact the academy via telephone (or email) as early as possible and always by 8:30am, leaving an appropriate message. This information will be collated and the registers adjusted to reflect the information. If the academy has not received an update from a parent or carer, a phone call home will be made immediately following the close of registration.

Academy opening times are available within Appendix A. If we are not able to make contact, we will contact all emergency contacts. If we are still unable to make contact, we may make a doorstop welfare check and following this, offer further support. If we have exhausted these options and we have continued to be unsuccessful in making contact with the family, academy staff may deem it appropriate to seek further advice from the Local Authority and notify the police.

6 Frequent/Continuing Absence & Emotionally Based School Non-Attendance

We ask that all parents and carers contact us with a daily update should their child continue to be absent from school. If the school does not receive an update, a courtesy phone call home will be made. If we are unable to make contact, we will follow the procedures outlined above in Section 5. This will include calling all emergency contacts and could result in a doorstep welfare check.

In cases where a pupil begins to develop a pattern of lateness or absence, the academy will try to resolve the problem quickly by meeting with the parent/carer. This may include an attendance assessment and support plan, involvement from relevant support services and, where appropriate, collaboration with partner agencies.

Emotionally Based School Non-Attendance (EBSNA)

Sometimes, pupils find it hard to go to school because of how they are feeling. This might be due to stress, anxiety, or feeling overwhelmed. This is known as Emotionally Based School Non-Attendance (EBSNA). When this happens, they might miss school for a long time.

We believe that every case of school absence, including those that may be linked to EBSNA, should be met with curiosity, compassion and partnership. If a pupil is missing school because of emotional reasons, we will talk with them, their family, and school staff to understand what is going on. Together, we will agree a plan to help the pupil feel supported and ready to return to school.

Attendance and Pupils with Special Educational Needs and Disabilities (SEND) or Medical Needs

The Kite Academy Trust recognises that some pupils may experience barriers to attendance due to special educational needs and disabilities (SEND), medical conditions, mental health needs or other vulnerabilities. When attendance concerns arise, the academy will work in partnership with parents/carers, pupils and relevant professionals to understand and address underlying barriers to attendance.

Before considering formal attendance interventions, the academy will consider any reasonable adjustments, support strategies, pastoral interventions and duties under the Equality Act 2010. Support will be individualised and proportionate, with the aim of enabling pupils to access education successfully and attend regularly.

7 Persistent & Severe Absence

A pupil whose attendance falls below 90% is considered persistently absent. Attendance falling below **50%** is considered *severe absence.* Absence for whatever reason disadvantages a child by creating gaps in their learning. We monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education.

Throughout the school year, following fortnightly attendance reviews, the school will contact you if your child's attendance falls below **96%**, or if we notice an unexpected change or pattern in attendance that may indicate additional support is needed.

If your child's attendance level is falling towards 90% after the first half term, we will contact you and, depending on the reasons for the absence, may ask for medical evidence or suggest a meeting with the Academy Headteacher or relevant staff member.

8 Safeguarding

At The Kite Academy Trust, we are committed to safeguarding all pupils and ensuring that every child is accounted for and safe. We recognise that regular or unexplained absence may be an indicator of a safeguarding concern. Children missing education can be a vital warning sign of issues such as neglect, sexual abuse, and child sexual or criminal exploitation.

We expect parents/carers to contact the school whenever their child is absent, providing a clear reason for the absence. Where no reason is provided, our staff will follow up with parents/carers on the first morning of absence (see Section 5 for details). Any absence that is unaccounted for or causes concern will be referred to the academy's Designated Safeguarding Lead (DSL).

If a child is supported by a Social Worker, it may be agreed that the academy will notify them on the day of any absence.

9 Absence Notes

Notes received from parents explaining absence will be kept for the remainder of the academic year. If there are attendance concerns about the pupil that may require further investigation, then the notes may need to be retained for a longer period.

10 Promoting Attendance

The academy will use opportunities as they arise to remind parents/carers that it is their responsibility to ensure that their children receive their education and that good attendance is vital. The academy will be particularly sensitive to the need to support families where attendance issues are related to a pupil's Special Education Needs, disability and/or medical needs. The academy will communicate with families in a timely, respectful and supportive manner, recognising that strong relationships and effective communication are key to improving attendance and overcoming barriers to attendance.

In order to foster a culture of regular attendance, the academy takes a proactive and inclusive approach to promote good attendance through the following practices:

- Promoting class attendance in celebration assembly
- Celebrating class attendance in our newsletter
- Celebrating pupils with the most improved attendance

11 Request for Absence in Term Time

Requests for absence during term time are actively discouraged. Parents/carers will be reminded of the effect that absence can have on a pupil's potential achievement. The academy will not authorise term time absences, except in very exceptional circumstances. A Request for Leave of Absence form (Appendix B) must be submitted to the academy **at least two weeks in advance**. The Academy Headteacher will then decide if the request can be authorised or if it is unauthorised. If the absence is unauthorised the parents will be notified of this and warned they will be receiving a penalty notice.

12 Understanding Types of Absence

Pupils are expected to attend the academy every day for the entire duration of the academic year, unless there is an exceptional reason for the absence.

There are two main categories of absences:

Authorised absence is when the academy has accepted the explanation offered as satisfactory (see Appendix C for absence guidance).

This requires a Request for Leave of Absence Form (see Appendix B) to be completed and returned at least two weeks in advance of the absence to enable the Academy Headteacher to reach a decision about such an absence. If no explanation is received, absences cannot be authorised.

Unauthorised absence is when the academy has not received a valid reason for absence or has not approved a child's absence following a parent/carer's request. This includes parents/carers giving their children permission to be absent unnecessarily, such as for shopping, birthdays, to look after siblings or absences which have not been explained.

If you do not request and/or receive permission for your child to be absent, your child's absence will be recorded as unauthorised.

An academy can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to the academy it is suspected (and there is evidence to prove) that they have been on holiday.

Where there are concerns about the authenticity, frequency or pattern of illness-related absence (including sickness absence before or after a holiday), the academy may request reasonable evidence to help establish the reason for absence and identify appropriate support. The academy will not routinely request medical evidence; however, where attendance concerns exist, it reserves the right to request reasonable evidence in order to establish the reason for absence and identify appropriate support.

Where there are several siblings across local schools, Academy Headteachers will always liaise with other leaders in the event of requests for approval of exceptional leave. If a child is absent from school for any reason, the academy may check attendance at siblings' schools in case patterns of absence arise.

Religious observance

At The Kite Academy Trust, we will treat absence as authorised when it is due to religious observance. Following DfE guidance, the day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, academy staff will seek advice from the parents' religious body about whether it has set the day apart for religious observance. The academy will expect to be notified by parents in advance if their child/ren will be absent for religious observance. On these occasions, we ask parents to complete a Request for Leave of Absence form (Appendix B).

13 Penalty Notices

The Surrey Attendance Service, acting on behalf of Surrey County Council or Hampshire County Council may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and require the recipient to pay a fixed amount.

Circumstances when a Penalty Notices may be issued

1. Pupils identified by police and Attendance Advice and Intervention Officer engaged on Truancy Patrols and who have incurred unauthorised absences.

2. **The School Attendance (Pupil Registration) (England) Regulations 2024 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.**

Where a child is taken out of school for 10 sessions or more and the 'leave of absence' is without the authority of the Headteacher, each parent is liable to receive a penalty notice for each child who is absent. In these circumstances, a warning will not be given where it can be shown that parents/carers had previously been warned that such absences would not be authorised and that they will be liable to receive a Penalty Notice if the leave of absence is taken.

3. The issue of a Penalty Notice will also be considered where a pupil has incurred 10 or more unauthorised sessions during the preceding 10 school weeks. The parents' failure to engage with supportive measures proposed by the school will be a factor when considering the issue of a Penalty Notice. Unauthorised absence will include late arrival after the close of registration without good reason.

4. Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice. If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103.

5. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

With the exception of unauthorised leave of absence taken in term time (Point 2 above) parents will be sent a 'Notice To Improve' their child's attendance, warning them of their liability to receive such a notice before it is issued.

Amount Payable Under a Penalty Notice: The Education (Penalty Notices) (England) (Amendment) Regulations 2024

1. If a parent/carer has not incurred a penalty notice relating to the relevant child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child,** if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against the parent/carer in the Magistrates Court.
2. If a parent/carer has incurred a penalty notice relating to the relevant child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against the parent/carer in the Magistrates Court.
3. If a parent/carer has incurred 2 penalty notices relating to the relevant child/children in the rolling 3 year period since the first penalty notice was issued, then a third penalty notice will NOT be issued – Surrey/Hampshire County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

14 Penalty Notice relating to Exclusions

Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice.

If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

15 Senior Attendance Champion

Each academy has named Senior Attendance Champion who will work closely with the Academy Headteacher and academy administrative team to oversee attendance at the academy. The Senior Attendance Champion will:

- Monitor and analyse attendance fortnightly, identifying patterns and trends and deliver intervention and support in a targeted way to pupils and families. This will include analysis of individual pupil attendance, cohorts and year groups (including their punctuality) across the academy to ensure the academy achieves its responsibilities under the Public Sector Equality Duty. When analysing patterns, closer analysis of patterns of attendance within a session may be undertaken to ensure all pupils are attending all timetabled lessons.
- Use this analysis to provide regular attendance reports to class teachers and senior leaders (including Special Educational Needs Coordinators, Designated Safeguarding Leads and Pupil Premium Leads) to facilitate discussions with pupils.
- Undertake frequent individual level analysis to identify the pupils who need support and focus staff efforts on developing targeted actions for those cases. This will not just focus on persistent and severe absence, but review all severities of absence to identify pupils who can be supported earlier before patterns become entrenched.
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends, which will include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance.
- Benchmark their attendance data (at whole academy, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data. This may, for example, include pupils in a year group with higher than average absence or pupils eligible for free school meals if their attendance falls behind that of their more advantaged peers.
- Monitor the impact of school wide attendance efforts on recorded data, including any specific strategies implemented. The findings will then be used to evaluate approaches or inform future strategies.
- Provide data and reports to support the work of the Board of Trustees and/or Hub Board Committee.

16 Working with the Local Authority

To help make sure that every child goes to school regularly and gets an appropriate education, each academy has an Attendance Advice and Intervention Officer (Surrey academies).

Surrey Attendance Advice and Intervention Officers provide an advisory service to schools, and track pupils who are not accessing full time education.

Hampshire Attendance Intervention Officers provide a service to work collaboratively with schools in improving attendance.

Penalty Notices may be issued in cases of poor attendance. Legal action may be taken to ensure your child attends their academy.

17 Changing Schools

An in-year transfer form is available from the academy office and should be completed by the parent and Academy Headteacher prior to transfer. Pupils' records are sent to the new school within 5 days. The academy office team will confirm attendance with the new school (on the start date) in order to ensure the registers and numbers on roll at both schools are accurate. If the child fails to attend their new school on the agreed start date, the family will be contacted and may be referred to the Local Authority tracking officer.

Appendix B - Request for Leave of Absence Form

As parents/carers, you have a legal responsibility to ensure your child's attendance at school. During the academic year, pupils are at school for 190 days and at home for 175 days.

Parents/carers are asked to consider very carefully the implications for their own child and others before making a decision to remove their child from the education that is provided in academy term time. **Please be aware that the School Attendance (Pupil Registration) (England) Regulations 2024, state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.** These circumstances and the factors to be taken into account by parents considering such absence are given overleaf. If you intend for your child to be absent, please complete the form below and submit to the academy with **at least two weeks' notice**. We may ask for evidence to validate your request.

The academy is required to record all absences as **Authorised** or **Unauthorised**. The decision is based on the information given below. Should a parent who is considering an absence wish to discuss the implications, please contact the academy office to make an appointment to see the Academy Headteacher.

The Kite Academy Trust follows national guidelines regarding Penalty Notices. Unauthorised absence of 5 days/10 sessions (or more) will result in the following action being taken:

- If you have not incurred a penalty notice relating to this child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
- If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
- If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s 444 Education Act 1996.

Guidance for Parents on Pupil Attendance

We recognise that there are some genuine difficulties and tensions for parents when they make a decision to take their child out of school. The following information is offered to help.

Why keep your child in school?

Some areas to consider are:

- Children have a right to the education that is planned and provided by school;
- Taking a child out of school can be disruptive to the child concerned both at the time, before and after the event;
- Children away from school miss the learning that has been planned. Many learning experiences cannot be packaged and sent home and are part of ongoing programmes. For this reason, children's progress may be interrupted;
- Confidence and self-esteem may be dented as some children can feel separated from their class because the experiences of the class have moved forward without them;
- A high number of absences in a class impact on the general level and pace of learning. Teaching may need to be adjusted for the whole class as foundations for the next stage may have been undermined by the absence of several children;
- There are 175 non-school days a year to spend on holidays, shopping and appointments. There are 190 school days a year.

Why take your child out of school?

There may be genuinely exceptional reasons for taking a child out of school as listed overleaf. The Kite Academy Trust policy is that absence for other reasons is not authorised. If, after taking all the factors above into account, parents decide to take their child out of school for other than exceptional reasons as described, the parents should take responsibility for this decision and appreciate that their child's absence will be regarded as unauthorised.

Guidance regarding Penalty Notices

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school, which includes a leave of absence in term time (5 days or 10 sessions or more).

Please be aware that the School Attendance (Pupil Registration) (England) Regulations 2024, state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted. In such cases, the Headteacher must judge whether there are exceptional circumstances and may request that the Local Authority issue Penalty Notices when the absence is not authorised. **Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.**

Unauthorised absence of 5 days/10 sessions or more will result in the following action being taken:

1. If you have not incurred a penalty notice relating to this child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against you in the Magistrates Court.

2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against you in the Magistrates Court.

3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey/Hampshire County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s444 Education Act 1996.

Please be aware that each parent is liable to receive a Penalty Notice for each child who incurs unauthorised absences. For example, if there are two parents and one child, each parent will receive one Penalty Notice. If there are two parents, and two children incur unauthorised absences, each parent will receive two Penalty Notices.

All of The Kite Academy Trust academies seek to provide the very best learning experience for your child/children and this principle is behind our policy on time out of academies. We hope this is helpful and our Academy Headteacher are very happy to discuss individual circumstances with you.

Advice and support are available from the academy Senior Attendance Champion or by contacting your Local Authority Education Office.

Appendix C - Absence Guidance

Absence through child participation in public performances, including theatre, film or television work and modelling:

The legislation requires that all children, from babies until they cease to be of compulsory school age, be licensed by the Local Authority in which they live, when they take part in a performance on stage or in a broadcast.

A child remains subject to these regulations until the last Friday in June of the academic year in which they turn 16. The academic year runs from 1st September – 31st August inclusive.

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the Academy Headteacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is, however, down to the Academy Headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs.

Absence through competing at regional, county or national level for sport:

Parents of able sports players can seek leave of absence from school for their child to take part in regional, county, national and international events and competitions. It is, however, down to the Academy Headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions is also at the discretion of the Academy Headteacher and is not likely to be approved if it is a regular event, unless the sports club or association is providing an education tutor as part of their coaching.

My child is trying to avoid coming to school. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the academy, the parents/carers and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's teacher immediately and openly discuss your worries. Your child could be avoiding the academy for a number of reasons: difficulties with work; friendship problems; family difficulties. It is important that the reason for your child's reluctance to attend the academy is identified early and work together to tackle the problem. For some children the extra support of familiar staff may be called upon. In addition, it may also be helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that they leave home in the correct clothes and properly equipped. Show your child, by your interest, that you value their education. Let them know that there is support at the academy, either from their class teacher or other trusted adults. Encourage them to seek out a member of staff who they feel comfortable with to talk through any worries or concerns that they have which is preventing them from coming to the academy or as a parent/carer, contact the academy and request this on your child's behalf.

Be interested in what your child is doing, chat to them about the things they have learnt, the friends they have made and even what they had for lunch!

New Attendance Rules!

There are new rules for unauthorised absences, whether this is due to holiday, irregular attendance, or otherwise. Don't get caught out!

1 I'm a parent and I want to take my child out of school for a half or full day.

Any absence must be recorded on an absence request form. The form enables us to communicate whether an absence will be authorised or unauthorised. Holiday requests will not be authorised. If your child will miss 5 school days, they will be given a penalty notice fine. **The fine is £80 per parent, per child, if you pay it in 21 days, otherwise it is £160.**

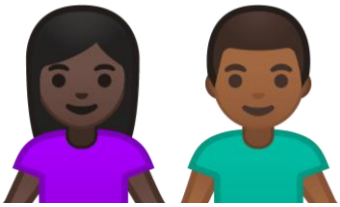

For each child a penalty is given…

+ £80 + £80 + £80 + £80

4 children & 1 parent = £320

Doubled to £640 if not paid in 21 days

For a family of 2 parents & 2 children

+£80 +£80

£160 x2 = £320

Doubled to £640 if not paid in 21 days

What happens if school suspects children are actually on holiday?

Photos on Facebook?
Foreign mobile dial tone?
Other children talking about your holiday?
Amazing sun tan?
Home visit shows no-one at home?

Please don't be offended if we ask for evidence or mention these questions to you. We're required to do this to ensure a fair system!

2 What about subsequent absences? Is it still the same penalty amount?

No, not anymore. If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence OR pattern of irregular attendance, which is unauthorised, then…

2nd TIME

2 parents and…
1 child = £320
2 children = £640
3 children = £960
4 children = £1280

NO DISCOUNT FOR EARLY PAYMENT

3rd TIME

A penalty notice fine **will not** be given. Instead, your case will be taken to court. A magistrate can fine each parent £2,500 for each child.

1 parent & 4 children = £10,000
2 parents and 4 children = £20,000

3 What about irregular attendance? Could I get a penalty notice?

YES

If your child is absent (or late after registers) for 10 or more sessions in 10 weeks, and their absences are unauthorised, then the school is required to consider penalty notices / prosecution.

So, half a day here and day there could all add up to 10 sessions in 10 weeks. If unauthorised, then it would be a penalty notice. Remember, 1 day is 2 sessions (morning and afternoon).

4 What are typical reasons given that <u>won't</u> be authorised?

Unless there are exceptional circumstances

A family member's birthday
Shopping for uniforms
Inadequate clothing for school
Child being used as a carer
Problems with transport
Visiting relatives abroad
Sickness of parent or sibling
Sibling's school closed
Refusing to attend, but able to
Poor family organisation
Family holidays
No absence request completed
Non-essential appointments

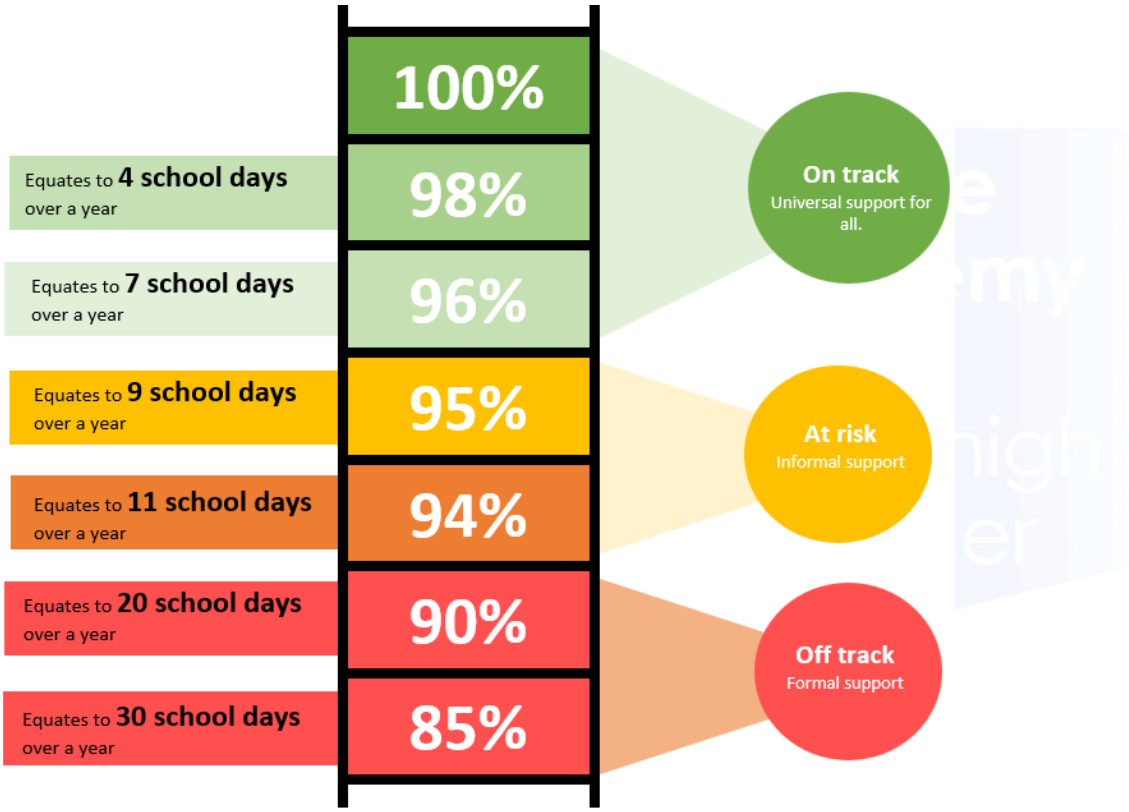

Where there are concerns about authenticity, frequency or patterns of illness absence, the academy may request reasonable medical evidence before authorising further illness-related absences.

Appendix F – Family Guide to Attendance Support at The Kite Academy Trust

This document provides examples of what attendance support may look like at different stages. We recognise that every child and family is unique, so the support offered will always be personalised, responsive to individual circumstances and developed in partnership with you. As needs arise, support may be adapted and reviewed to ensure it remains effective and appropriate for your situation.

Universal Support – Attendance is good (96% and above)

- Attendance is checked regularly.
- Good attendance is celebrated.

Informal Support – Stage 1 (Attendance drops below 96%)

Support may include:

- You being advised of the concern.
- Attendance being monitored, typically for 6 weeks. If attendance goes back above 96%, monitoring stops.

Informal Support – Stage 2

Support may include:

- You being invited to a meeting to complete an Attendance Assessment.
- Appropriate classroom adjustments, wellbeing support, or rewards.
- A letter being sent to you if medical evidence is needed to authorise absences.
- Attendance being monitored until it has improved.

Formal Support – Attendance below 90%

Support may include:

- You being invited to a meeting to create an Attendance Contract.
- The Local Authority becoming involved for additional support.
- A referral may be made for legal intervention if attendance is not improving.

Important to know

- We aim to work with families with kindness and understanding.
- Support may move to a formal stage more quickly if needed to protect your child's education.
