It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	36%
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	36%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	36%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	36%

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes/No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated:13,350	Date Updated: 06/11/22	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: 83%
Intent	Implementation		Impact
Development of outdoor learning for Year 1 with focus on gross motor and fine motor skills	Purchase equipment that develops large gross motor skills and encourage physical activity. Purchase equipment to encourage balance Purchase equipment that encourages all types of physical activity.	£650	The children have had access to equipment over the academic year that has helped them to improve in all areas of physical activity and promote a love of PE.
Promotion of Daily Mile	Hold an assembly to remind the children ‘why’ we do the Daily Mile.	£0	The children enjoy Daily Mile and look forward to it; particularly in KS2 with the use of the track. It helps them to refocus for the afternoon and gives them a much-needed brain break. This needs to continue to be a focus for next academic year to ensure it is of high quality especially KS1
Continue to work with less active children in promoting the use of Fit Bags.	The PhysiFUN Fitbags can be for those children who have found, and still find, getting active at home a challenge. Whether this is through lack of space, equipment or motivation, these bags will encourage a love of being physically active beyond the school gates.	£0	These bags are still going home in many classes and used as a reward. The children all comment that they enjoy using them at home with their family and it encourages everyone to be more motivated. Ensure consistency in all use across all classes.

To embed intra school events into curriculum to allow pupils to experience competition and prepare them for possible inclusion into school sports teams	Look at current curriculum and embed intra school opportunities within termly PE lessons. Termly intra house competitions planned for all year groups.	£0	This has not been able to be facilitated this year but will be embedded into our new PE curriculum for next academic year as part of the PE silver award.
Support 20 Pupil Premium children attending sports clubs after school.	Offer places to Pupil Premium children in the first instance before opening places up to rest of the school.	£60 per child. Approx. £1,200	This has been successful in getting our Pupil Premium the chance to join clubs they were unable to access before. 20 PP children attended Dance club and football club.
Employ a play leader at lunchtime to make lunch times more active.	Advertise the role for a play leader to focus entirely on the engagement of children in physical activity at lunch times.	Approx £7,000	This has been extremely successful and has encouraged our pupils to have happier, and more physical playtimes. You can see increased confidence in many of our pupils as they learn new skills and this is evident in some of our PE lessons too. Play leader through sports for school was employed to attend all lunchtimes to drive children being more active.
Playground and curriculum equipment replacement.	Work alongside the play leader to make sure there is enough resources in order to help develop physical activity at play times. Make sure all equipment needed to support the curriculum is replaced termly.	£2,000	The school has been well- equipped this year and teachers have been able to access the PE curriculum successfully with enough resources for their classes.
Ensure all children who have not attained the expected swimming level in year 5 attained expected by Year 6	Pay for children to attend swimming lessons at Farnham Leisure centre to achieve the national curriculum swimming expectation	£2500	Children in year 5 and Year 6 have been swimming, as the percentage of Year 6 meeting expectation was so low. Year 5 children will have been swimming twice by the time they enter year 6.
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement			Percentage of total allocation: £230 1.2%
Intent	Implementation	Impact	

Join the local sports association	Ensure Hale is part of local conversations around sport and to make sure we are involved in local competitions.	£5	This has enabled us to take part in football competitions and District Sports. The children have benefitted hugely from these opportunities; raising their confidence and their ability to work as a team has been invaluable.
Have a clear process to engage and glean your young people's views on your school sport and physical activity offer? (Pupil Voice)	Work with a cohort of Y6 pupils (school council, sports leaders) to create a pupil survey to ask their views on what types of activities they would like to see at school that would encourage them to be more active. (Active Surrey to provide template)	£0	School council have reported on PE provision and have selected the equipment that they wanted as part of the playground provision. They have also been part of district sports and had the opportunity to take part in more sporting activities.
Apply for School Games Mark Silver award.	To work alongside Sarah Williams from the Surrey School Partnership to meet the objectives and apply for the School Games Silver Award	£0	Participating in the annual School Games Mark allows schools to evaluate their PE provision and develop an action plan for future progress.
Formalise ways of getting feedback from your children after their inter-school competition experiences to support that you are on board with promoting positive experiences of competition/events?	<p>Create a set of feedback cards that can be used to engage pupils after they have attended events to ensure they have had a positive experience.</p> <p>Create a school participation certificate for representing school and on the reverse add in questions that parents can ask them about their opportunity – Active Surrey to support.</p>		Sarah Williams has created feedback forms for all children that take part in competition experiences. These will be utilised more next academic year.

Develop Play Leaders	Active Surrey to train 10 leaders as Sports Crew / Play leaders who can connect in with trained lunchtime supervisors and support making the playground more active and structured. Can also be used to support pupil voice – part of the training includes this.	£225	This will commence in Autumn Term 2023.	
----------------------	--	------	---	--

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport			Percentage of total allocation:	
			£3000 16.1 %	
Intent	Implementation		Impact	
Establish what teachers feel they lack confidence in when teaching PE and provide training. (possibly gymnastics)	Questionnaire to gauge teachers' feelings and needs when teaching PE. Send emails regarding training opportunities from Surrey School Partnership onto teachers.	£1,000	No gymnastic training was available from Surrey for all staff, but free courses offered by the Surrey School Partnership were taken up by some teachers and proved to be very purposeful and relevant. Ideas were incorporated into lessons and made organisation of PE lessons more engaging for the children.	
To introduce a new PE scheme (with assessment opportunities) for all teachers to be able to teach confidently	Research though speaking to other Kite Schools the best PE scheme to suit our needs at Hale.	£2,000	This decision was waiting for a Kite wide decision on the PE scheme across the school. The new curriculum is in place ready for launch in 2023.	
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils			Percentage of total allocation:	
			£2000 10.7%	
Intent	Implementation		Impact	

Staff members to host an after- school sports club/ lunch club.	Teachers to provide after school sports clubs or lunch clubs.	£0	Children have been offered more sports clubs this year and have benefitted from increased social development and self-confidence and is evident in their PE lessons. Clubs include football x2, dance x2, netball
Broaden the range of sports clubs by looking at different organisations coming into Hale to teach. (After school and lunch)	Find and provide a wealth of different sporting opportunities for our children at Hale.	£0	The sports clubs on offer at Hale have enabled our children to develop skills that will help them in school and in their personal lives. Key skills such as leadership, problem-solving, responsibility and a sense of initiative are all developed through sporting activities with peers.
Raise the profile of sports within the school, by having inspirational visitors and speakers come from the local sports clubs	Contact local sports people to come in and inspire the children into taking up a range of sports	£2,000	Having a visit from an athlete was inspiration for all of our children. The impact it had on our pupils for sports day was fantastic. All children were engaged and willing to have a go and tried there very best whether they won or lost. Children have had access to cricket lessons Children also had a para Olympian come and speak to them to inspire the children to take part in more sporting activities

Key indicator 5: Increased participation in competitive sport			Percentage of total allocation:
			0%
Intent	Implementation	Impact	
Development of intra school competition in KS2- termly after each module of work.	Each year group to hold a competition at the end of a module of work to implement the skills learnt in module and to	£0	To be imbedded with new PE curriculum in September 2023
Join in with local sports association	Increase the opportunities for the school to take part in friendly netball and football matches.	£ Already budgeted	This has enabled us to take part in football competitions and District Sports. The children have benefitted hugely from these opportunities; raising their confidence and their ability to work as a team has been invaluable.
