

Dear Aberdeen Class,

July 2024

I am excited that you are joining Aberdeen Class with me in September! I will be your new teacher, for the entire week. The wonderful Miss Allery and Mrs. Mitchell will be our LSAs. I wanted to write to you to tell you a little bit about me, our classroom and the fun things we will be doing at, school in year 2.

Mr Forth:

This is my third year at Hale and I have enjoyed meeting all of you over the last year. Some of you have met in my Lego Club (which I will start again next year!).

I love Maths the most, and I get very excited teaching it. I also love to read and can't wait to show you the books we will read in Year 2.

Aberdeen Classroom:

We will be moving into our classroom together, for the first time. I can't wait to get it set up for our new learning. Don't forget that it will be Year 2, so many of the things you are used to won't be out. But there will be plenty of calming games and jigsaws, including a book corner if ever you need it.

We will explore lots of fun history and geography topics, create wonderful art, use our voices and other instruments in music, get physical in PE, design and make items in DT, build understanding of faith and religion in RE, discuss and share ideas in PSHE and develop our computing skills.

There are so many exciting and fun times ahead. I can't wait to see you in September for a great start to year 2.

Bye for now and have a fantastic Summer!

Mr. Forth
