

19 July 2024

Dear Stanford Class,

I am thrilled that you are joining Year 4 Warwick class in September and I will be your new teacher: I am delighted that you are the first class I am teaching at Hale Academy.

I wanted to tell you a little bit about me, I have 3 children, a daughter and twin boys. My daughter loves dancing, one of my boys loves maths and the other loves cooking, growing fruit and vegetables from seeds and making things, they both love Roblox and going on the PS4. I love music, going to the theatre and reading books. I like to spend weekends and some of my holiday camping and hiking with the Explorer Scouts. I have two cats, a big white boy called Casper who loves to eat and sleep and a little black and white girl called Laila who spends her time outside.

I am so excited that we have an action-packed year which includes our Residential to Runways End, swimming lessons and lots of outdoor learning. In Year 4, we will explore lots of fun history and geography topics, create wonderful art, build up our skills in French, use our voices and other instruments in music, get physical in PE, design and make items in DT, build understanding of faith and religion in RE, discuss and share ideas in PSHE and develop our computing skills.

I have a summer challenge for you, can you learn one new thing this summer or do something you have never tried before? (I would love to see photos).

It has been wonderful getting to know you over the last few days and I look forward to spending more time with you after the summer holiday. There are so many exciting and fun times ahead. I can't wait to see you in September and hear all about your summer adventures.

See you in September.

From

Ms Sharp
