Your Year 6 class is called Cambridge

Your classroom is in a different building—the Year 6 block near to the school pond.

It will be called Cambridge Class

You will continue to play on the KS2
playground.

In the morning, you make your own way into class via the Year 6 entrance or from the front of the building.

This is what our classroom looks like,
it might look a little different in
September!

Have a lovely summer. We look forward to hearing all about it!

See you soon.
